

Super Spreading Sportsfield Blend

This blend is designed for optimum performance on sportsfields. The patented brand Natural Knit Perennial Ryegrass spreads laterally by pseudo-stolons to form a very dense, highly attractive, durable turf with tightly intertwined horizontal tillers. It's remarkable density provides a durable and lush ground cover for sports.

This mix contains:

60% Natural Knit Brand Perennial Ryegrass
20% Thrive Perennial Ryegrass
20% Diligent Perennial Ryegrass

*Varieties are subject to change based on availability

Benefits:

Premier Pacific Seeds Ltd. reserves the right to change seed mixes at any time. Premier Pacific Seeds Ltd. ("Premier") warrants that the seeds in this container (the "Seeds") are of the type described on the container within generally accepted industry tolerances. This warranty is in lieu of all other representations or warranties expressed or implied, with respect to the Seeds or crops grown from them, including, but not limited to, any warranty as to variety, description, quality, merchantability or productiveness. The maximum liability of Premier under this warranty is limited to the purchase price of the Seeds. If this warranty is not acceptable to the buyer, the buyer must not plant the Seeds and may return them to Premier in good condition in this container for a full refund of the purchase price.
